These are remarkable - & high places at the Mountains

These Numbers are the same Names as the Rivers

From B to N 33 Days walk - for young men, no Blackfeet has been there, only a chance Tall Indians, that has been that great distance.

The Mountains to the South of the Missourey have inclines almost back - or between E & F — is considerably lower & much so further in Lat. 53° to 49° —

B & B	2	Number of
C to D	5	Nights
D to E	3	the Ind[s]
F to G	3	Sleep in
G to H	1	going from
H to N	1	one place
N to I	2	to the
I to K	1	other.
K to L	5	
L to M	9	

Nos 7 & 31 have been at the Houses to Trade.

North America C-160 (1801) facs. [Arch.]
